CATON VINEYARD – Located in the foothills of Sonoma Valley in the newly created "Moon Mountain District", the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce very unique and distinctive wines. The vineyards have multiple sun exposures, soil types, and vary in altitude over 300 feet between each other. Our meticulous farming practices showcase the love for our land and our passion for the wines that come from it.

WINE DETAILS

| *Tasting Notes* | *Pale pink in color, this wine has delicate aromas of strawberry and honeysuckle with citrus notes. Upon entry it shows flavors of red fruit: Strawberry and rhubarb, with juicy acidity through the mid-palate. An undercurrent of minerality carries through to a lengthy finish.*
