TY CATON VINEYARDS is committed to producing the finest wines made from the highest quality grapes and winemaking dedication at its best. Our limited production allows us to handcraft wines with varietal intensity and balance.

CATON VINEYARD – Located in the foothills of Sonoma Valley, the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce very unique and distinctive wines. The vineyards have multiple sun exposures, soil types, and vary in altitude over 300 feet between each other. Our meticulous farming practices showcase the love for our land and our passion for the wines that come from it.
