**TASTING NOTES**

The second release of our estate 2021 Rose of Petit Verdot is a gorgeous light pink color and expresses aromas and flavors of strawberries, raspberries, and other red fruits. The wine is bright and crisp on the palate that leads to a fresh and satisfying finish that can be relished by itself or with food.

**SANDYBROOKE VINEYARD**

Each year I make unique wines to honor my parents, Carlton Brooke and Sandy Caton. The special label on this wine is my way of saying thank you for all they have done in my life to help me become the person I am. My promise to them is to pursue our shared goal of actively seeking excellence.

**2021 VINTAGE NOTES**

The 2021 harvest is reported to be one of the best vintages in recent harvests for Northern California. The ongoing draught presented some challenges -- limited rainfall and warm growing conditions throughout the summer months resulted in a speedy havest with lighter yeilds. The conditions brought smaller berries with expectional-quality and concentrated flavors.
