TY CATON VINEYARDS is committed to producing the finest wines made from the highest quality grapes and winemaking dedication at its best. Our limited production allows us to handcraft wines with varietal intensity and balance.

CATON VINEYARD – Located in the foothills of Sonoma Valley, the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce unique and distinctive wines. The vineyards have multiple sun exposures, soil types, and vary in altitude over 300 feet between each other. Our meticulous farming practices showcase the love for our land and our passion for the wines that come from it.

## WINE DETAILS

| *Tasting Notes* | The 2017 Estate Winemaker's Cuvée meets the palate with rich and full-bodied flavors of black currant, red plums, and cassis, followed by oak notes of cedar and vanilla. These dark flavors produce a lush and velvety textured mouth feel that combine with supple tannins and leads to a long silky finish.
