TYTANIUM

RED WINE • SONOMA VALLEY • CATON VINEYARD

TYTANIUM REPRESENTS A STATEMENT OF DISTINCTION *for the types of wines I like to make by expressing the distinct character and authenticity of my family's vineyard and our unique location.*

CATON VINEYARD – Located in the foothills of Sonoma Valley, the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce very unique and distinctive wines. The vineyards have multiple sun exposures, soil types, and vary in altitude over 300 feet between each other. Our meticulous farming practices showcase the love for our land and our passion for the wines that come from it.

WINE DETAILS

| *Tasting Notes* | *This elegant wine has aromas of rich vanilla and dark fruit. On entry it has a velvety texture with a deep concentration of blackberry, plum and currant flavors. Its sweet and dense mid-palate impression is followed by a long finish of fine tannins with hints of leather, anise and cocoa.*
