ALCOHOL ----- 15.4%

BOTTLING DATE ----- June 2021

PRODUCTION ----- 478 Cases

VINTAGE ----- 2019

RELEASE DATE ----- September 2021

TASTING NOTES -----

This sophisticated wine opens with alluring aromas of wild black cherry, anise and cocoa. Deep indigo tones lead to a soft, silky generous mouth feel accompanied by flavors of dark fruit and toasted oak. Layered, complex flavors remain lingering on the palate with an exceptionally long finish.

CATON VINEYARD -----

Located in the foothills of Sonoma Valley, the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce very unique and distinctive wines. The vineyards have multiple sun exposures, soil types, and vary in altitude over 300 feet between each other. Tytanium represents a statement of distinction for the types of wines I like to make by expressing the distinct character and authenticity of my family's vineyard and our unique location.

2019 VINTAGE NOTES -----

2019 was a classic Northern California vintage with a nearly ideal growing season in Sonoma Valley. The late rainfall and a gradual temperature rise into September led to longer hang times and even fruit development. This harvest offers concentrated flavors and well-balanced fruit that will steadily mature and stand the test of time.

Ty Caton Vineyards is committed to producing the finest wines made from the highest quality grapes and winemaking dedication at its best. Our limited production allows us to handcraft wines with varietal intensity and balance.
