## TASTING NOTES -----

This vintage shows a complex aroma profile of red and dark fruit with vibrant flavors of blackberry, black currant and mint. The Big Hill offers an elegant yet distinctive palate with supple fruit and exceptional quality.

## CATON VINEYARD- BIG HILL -----

Located in the foothills of Sonoma Valley, the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce very unique and distinctive wines. The Big Hill is one of the most tough and rugged vineyards to farm in the Caton Estate with steep slopes over 40% in incline. Both its soil and east-west row alignment creates a wine with medium acidity and a polished tannin structure.

## 2019 VINTAGE NOTES -----

2019 was a classic Northern California vintage with a nearly ideal growing season in Sonoma Valley. The late rainfall and a gradual temperature rise into September led to longer hang times and even fruit development. This harvest offers concentrated flavors and well-balanced fruit that will steadily mature and stand the test of time.
