ESTATE KNOLL CABERNET SAUVIGNON

The Caton Cabernet Collection showcases the very best from our Cabernet Sauvignon sites within the Caton Vineyard. These limited production wines express the uncommon terroir of each vineyard and their different clones, soil types, sun exposures, and elevations. I am proud to present these rare and one of a kind wines and hope you enjoy them as much as I enjoyed creating them.

TASTING NOTES -----

This half acre lot Cabernet Sauvignon produces a wine with enticing rich qualities and beautiful balance. On the nose you will find aromas of baking spices, red currant and cherry cola. Flavors of black plums, mushrooms, and a hint of vanilla have you savoring each sip.

CATON VINEYARD- KNOLL -----

Located in the foothills of Sonoma Valley, the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce very unique and distinctive wines. The Knoll, a half-acre "rock" vineyard with an east-west row direction has small vines, low yields and produces some incredibly unique Cabernets. With over 80 jack hammer bits used, 90% of the vines and stakes were jack-hammered into the earth during development.

2019 VINTAGE NOTES -----

2019 was a classic Northern California vintage with a nearly ideal growing season in Sonoma Valley. The late rainfall and a gradual temperature rise into September led to longer hang times and even fruit development. This harvest offers concentrated flavors and well-balanced fruit that will steadily mature and stand the test of time.
