ESTATE TERRACES CABERNET SAUVIGNON

The Caton Cabernet Collection showcases the very best from our Cabernet Sauvignon sites within the Caton Vineyard. These limited production wines express the uncommon terroir of each vineyard and their different clones, soil types, sun exposures, and elevations. I am proud to present these rare and one of a kind wines and hope you enjoy them as much as I enjoyed creating them.

CATON VINEYARD- TERRACES-----

Located in the foothills of Sonoma Valley, the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce unique and distinctive wines. The only terraced block on the vineyard, the Terraces is a rocky site that enjoys a west facing sun exposure. Areas of this vineyard are so rugged that some rows have hand dug walking trails and are farmed without a tractor. Every year this wine surprises us with something new and unique.

2019 VINTAGE NOTES -----

2019 was a classic Northern California vintage with a nearly ideal growing season in Sonoma Valley. The late rainfall and a gradual temperature rise into September led to longer hang times and even fruit development. This harvest offers concentrated flavors and well-balanced fruit that will steadily mature and stand the test of time.
